

# *CHILE*

FROM DESERT TO TUNDRA  
FROM FLAMINGOS TO PENGUINS

**Bob and Dana Fox, of North Andover, MA and Center Tuftonboro, will share their adventures while birding in three regions of Chile. Look and listen to descriptions of the Atacama Desert of the far north; the Mediterranean-like central belt; from sea level to 15,000 feet; from Andean Volcanoes to the tundra like area of Patagonia; from penguins to breathtaking scenery.**

**Thursday, April 19, 7:30 pm  
The Loon Center 476-5666  
Lees Mill Rd. Moultonborough.  
Handicapped accessible**
