

Late Season Fungi

Mushroom expert Dr. Rick Van de Poll will talk about our late season fungi and the types of areas and habitats they occur in. He'll concentrate on those varieties that are likely to be available now or in the next few weeks. The talk will be accompanied by slides and some actual samples!

Offered by:
Lakes Region
Audubon of NH

THURSDAY, OCT 18, 2012
7:30 PM
FREE!

The Loon Center
Lees Mill Rd. Moultonborough
Handicapped accessible.
