## New Hampshire Connection

*Bob Quinn*

From Costa Rica to Hawaii to Peru this program looks into the mysteries of the tropics. Home to many biological wonders the region offers more than its beckoning warmth and palm trees.

The world's largest river and longest mountain chain, exotic birds, bugs, and plants, dramatic scenery, interesting cultures are all part of the allure.

Come enjoy this popular show  
*and* discover some surprising  
connections to New Hampshire!
