

THE MOUNTAINS OF PERU/MACCHU PICCHU

Come and learn about the Andes of Northern Peru with **Dana and Bob Fox** in this wonderful, exciting, and colorful program.

See the White-winged Guan, one of the rarest birds in the world. Also hear about the Peruvian Plant Cutter, Scarlet-back, Guayaquil Woodpeckers, Marañon Chestnut-crest, Little Inca-finch, Black-throated Toucanet, the Golden-headed Quetzal, Andean Cock-of-the-rock, Versicolored Barbet, Yellow-faced Parrotlet, the Spatuletail, the most unusual of the 45 hummingbirds on the trip, and some 50 species of Tanagers.

Thursday, March 28, 2019 @ 7:00 p.m.
